Our Mission Statement:

Sharing the Dream in Guatemala is a non-profit organization that promotes fair trade with cooperatives and small businesses in Guatemala. We are committed to providing fair wages and employment opportunities to low-income artisans, which will result in creating sustainable markets for their products.

Volunteer Coordinator Internship:

Sharing The Dream has a storefront in Downtown Vermillion and locations throughout Guatemala. This internship will be a year-long internship with 9 months of the internship taking place in Vermillion and 3 months of the internship taking place in Guatemala if the intern wishes to do so.

The Volunteer Coordinator Intern will help manage, recruit and train volunteers in the daily operations of the Vermillion storefront as well as helping to recruit and train volunteers in Guatemala. Potential projects include researching volunteer practices as well as updating the Volunteer Training Manual. This would be a great opportunity for a student to learn more about working at a non-profit organization, and especially for a student that enjoys helping others, learning about different cultures and working with people. While speaking Spanish is not a requirement, it would be beneficial.

This is an unpaid internship with very flexible hours. Free housing in Guatemala will be provided at no cost to the intern. There are two locations for the student to choose from, JucanYa, Panajachel and Santiago, Atitlán. The intern would be responsible for living expenses and their own plane ticket.
